COMING SOON: CAREER E-BOOKS
In the book, "Winnie-the-Pooh on Success," (written by Roger E. Allen and Stephen D. Allen), there is a quote by Pooh that has become one of my favorite reminders when my life gets "off track." Pooh's words are a catalyst for "Becoming the CEO of Your Own Career." © Pooh says: "Here is Edward Bear, coming downstairs now, bump, bump, bump on the back of his head, behind Christopher Robin. It is, as far as he knows, the only way of coming downstairs, but sometimes he feels there really is another way, if only he could stop bumping for a moment and think of it." This series of E-Books were designed to assist you to "stop bumping for a moment," take time to redesign your career, and become its "CEO." The series includes: Career Self-Management © Are You an Employee of Choice? © Do You Know Your Unique Selling Position?
